

## Recent Publications

V. G. Dugan, J. K. Gaydos, D. E. Stallknecht, S. E. Little, A. D. Beall, D. G. Mead, C. C. Hurd, W. R. Davidson. 2005. Detection of *Ehrlichia* spp. in raccoons (*Procyon lotor*) from Georgia. *Vector Borne and Zoonotic Diseases*. 5:162-71.

A. S. Varela, D. E. Stallknecht, M. J. Yabsley, V. A. Moore, E. W. Howerth, W. R. Davidson, and S. E. Little. 2005. Primary and secondary infection with *Ehrlichia chaffeensis* in white-tailed deer. *Vector Borne and Zoonotic Diseases*. 5(1):48-57.

M. J. Yabsley, M. C. Wimberly, V. G. Dugan, S. E. Little, D. E. Stallknecht, W. R. Davidson. 2005. Spatial analysis of the distribution of *Ehrlichia chaffeensis*, causative agent of human monocytotropic ehrlichiosis. *American Journal of Tropical Medicine and Hygiene*. 72(6):840-50.

A. S. Varela, V. A. Moore, S. E. Little. 2004. Disease agents in *Amblyomma americanum* from northeastern Georgia. *Journal of Medical Entomology*. 41(4): 753-9.

V. G. Dugan, D. E. Stallknecht, G. E. Tillman, C. Hurd, S. E. Little<sup>†</sup>. 2004. Attempted experimental infection of domestic goats with *Ehrlichia chaffeensis*. *Vector Borne Rickettsial Diseases*. 4(2): 131-6.

A. S. Varela, M. P. Luttrell, E. W. Howerth, V. A. Moore, D. E. Stallknecht, W. R. Davidson, and S. E. Little. 2004. First culture isolation of *Borrelia lonestari*, putative agent of southern tick-associated rash illness. *Journal of Clinical Microbiology*. 42(3): 1163-1169.

M. J. Yabsley, V. G. Dugan, D. E. Stallknecht, S. E. Little, J. M. Lockhart, J. E. Dawson, and W. R. Davidson. 2003. Evaluation of a prototype *Ehrlichia chaffeensis* surveillance system using white-tailed deer (*Odocoileus virginianus*) as natural sentinels. *Vector Borne and Zoonotic Diseases*. 3(4):195-207.

A. S. Varela, D.E. Stallknecht, M.J. Yabsley, V.A. Moore, W.R. Davidson, and S.E. Little. 2003. Experimental infection of white-tailed deer (*Odocoileus virginianus*) with *Ehrlichia chaffeensis* by different inoculation routes. *Journal of Wildlife Diseases*. 39(4):884-6.

M. J. Yabsley, S. E. Little, E. J. Sims, V. G. Dugan, D. E. Stallknecht, and W. R. Davidson. 2003. Molecular variation in the variable-length PCR target and 120-kilodalton antigen genes of *Ehrlichia chaffeensis* from white-tailed deer. *Journal of Clinical Microbiology*. 41:5202-5206.

S. E. Little. 2003. Parasitic zoonoses: parasites transmitted from pets to children. *Contemporary Pediatrics*. 5: 1-21.

V. A. Moore, A. S. Varela., M. J. Yabsley, W. R. Davidson, and S. E. Little. 2003. Detection of *Borrelia lonestari*, putative agent of STARI (Southern Tick-Associated Rash Illness), in white-tailed deer (*Odocoileus virginianus*) from the southeastern United States. *J Clinical Microbiology*. 41(1): 424-427.

M. J. Yabsley, A. S. Varela, C. M. Tate, V. G. Dugan, D. E. Stallknecht, S. E. Little, and W. R. Davidson. 2002. *Ehrlichia ewingii* infection in white-tailed deer (*Odocoileus virginianus*). *Emerging Infectious Diseases*. 8(7): 668-671.

D. S. Lindsay, S. E. Little, and W. R. Davidson 2002. Prevalence of antibodies to *Neospora caninum* in white-tailed deer (*Odocoileus virginianus*) from the southeastern United States. *J Parasit* 88(2):415-417.

T. C. Cornish, M. J. Linders, S. E. Little, and W. M. Vander Haegen. 2001. Notoedric mange in western gray squirrels from Washington. *Journal of Wildlife Diseases*. 37(3): 630-3.

D. S. Lindsay, J. L. Weston, and S. E. Little. 2001. Prevalence of antibodies to *Neospora caninum* and *Toxoplasma gondii* in gray foxes from South Carolina. *Veterinary Parasitology*. 97(2):159-64.

S. E. Little, L. S. Kelley, T. M. Norton, and S. P. Terrell. 2001. Developing diagnostic tools to further our understanding of *Atoxoplasma* spp. *Proceedings of the Association of Avian Veterinarians*.

R. M. Kaplan and S. E. Little. 2000. Control of equine cyathostomes: current challenges and future perspectives. *Compendium on Continuing Education for the Practicing Veterinarian*. 22(4): 391-395.

A. A. Kocan, S. A. Ewing, D. E. Stallknecht, G. L. Murphy, S. E. Little, L. C. Whitworth, and R. W. Barker. 2000. Attempted transmission of *Ehrlichia chaffeensis* among white-tailed deer (*Odocoileus virginianus*) by *Amblyomma maculatum*. *Journal of Wildlife Diseases*. 36 (3): 592-4.

V. G. Dugan, S. E. Little, A. D. Beall, and D. E. Stallknecht. 2000. Natural infection of domestic goats with *Ehrlichia chaffeensis*. *Journal of Clinical Microbiology*. 38 (1): 448-449.

S. E. Little and D. L. Ambrose. 2000. *Spirometra* in cats and dogs. *Compendium on Continuing Education for the Practicing Veterinarian*. 22(4): 299-305.

S. E. Little. 1999. Clinical significance of adult tapeworms in horses. *Compendium on Continuing Education for the Practicing Veterinarian*. 21(4): 356-360.

M. L. Gray, F. Rogers, S. Little, M. Puette, D. Ambrose, and E. Hoberg. 1999. Sparganosis in Florida feral hogs (*Sus scrofa*): 222 cases and a review of the significance of the disease as a zoonosis. *Journal of the American Veterinary Medical Association*. 215(2): 204-208.

S. E. Little and E. W. Howerth. 1999. Detection of *Ehrlichia chaffeensis* in a white-tailed deer from 1985. *Journal of Wildlife Diseases* 35(3): 596-599.

A. R. Brandsma, S. E. Little, J. M. Lockhart, D. E. Stallknecht, W. R. Davidson, and J. E. Dawson. 1999. Temporal and site-specific association of a novel *Ehrlichia* of white-tailed deer with *Amblyomma americanum*. *Journal of Medical Entomology* 36(2): 190-194.

S. E. Little, D. E. Stallknecht, J. M. Lockhart, J. E. Dawson, and W. R. Davidson. 1998. Natural co-infection of a white-tailed deer (*Odocoileus virginianus*) population with three *Ehrlichia*. *The Journal of Parasitology*. 84(5): 897-901.
